— Financial Statements of the Consolidated Fund
— Financial Statements of the Saskatchewan Heritage Fund

Part B — Additional Information on Debt

Volume 2 — Supplementary Financial Statements

Other financial statements which are not tabled separately in the Legislature.

Volume 3 — Details of Revenue and Expenditure Activity

Summary Revenue and Expenditure Information for the Combined, Consolidated and Heritage Funds.

Consolidated Fund Revenue and Expenditure Details

Heritage Fund Revenue and Expenditure Details; and

Other Information — Statement of Remission of Taxes and Fees.

A Detailed Table of Contents is provided at the beginning of each of the Volumes.

Details of Revenue and Expenditure Activity Preamble

Summaries of revenue and expenditure have been included at the beginning of Volume 3 for the Combined, Consolidated and Heritage Funds. These summaries allow easier accessibility to information without the need to refer to other documents such as the Estimates and Volume 1 of the Public Accounts.

Following these summaries are the revenue and expenditure details for the Consolidated Fund and the Saskatchewan Heritage Fund.

For each of the Funds the following information is provided:

- Revenue by department (by division for the Heritage Fund) and by source.
- Expenditures at the vote and subvote levels along with the following relevant information for legislative compliance purposes: original estimates, special warrants, virements (when applicable), underexpended amounts, accounts payable, and under or overcommitted amounts.
- Within each subvote expenditures by major type (object).
- Expenditures by payee in the following categories:

Grants

The total amount paid to a recipient in the fiscal year under a grant program paid directly out of either the Consolidated Fund or the Heritage Fund is reported when the amount paid is $2,000 or more. This does not apply to programs where the governing legislation requires that the information be kept confidential. Programs of this nature would include the income security programs such as the Saskatchewan Assistance Plan, the Saskatchewan Income Plan and the Family Income Plan.

In addition, at the discretion of Treasury Board, universal grant programs paid to individuals that do not permit ministerial discretion and that result in a high volume of payments may not be reported by payee. Programs that fall into this group would include the Mortgage Interest Reduction Program and the Small Business Interest Reduction Program.

Salaries, Services and Gratuities

These are listed for each vote within a department and include all payments made to a payee which total $20,000 or more.

Travel, Sustenance and Vehicle Expenses

These are listed for each vote within a department and include all payments made to a payee which total $2,000 or more.

Other Expenses

Any other payments made by a department not falling under any of the three categories discussed above are published by payee when the amounts paid under the vote total $10,000 or more.
